Rules / format / period length: _____ Scorer: _____

Record each scoring play: touchdown 6, field goal 3, safety 2; a try is 1 or 2 under the applicable rules. Record the try separately from the touchdown. Sum each quarter and overtime into the final score. This is an American-football sheet; Canadian singles are not included.

Before play, confirm competition rules, time limits, substitutions and tie-break format with the organizer. These are original community worksheets, not governing-body official forms. Use the required official form when mandated.

Print landscape on Letter paper at actual size, or fit to printable area on A4. Print extra log pages for overtime, extra innings, extended sets or large rosters. Use the same game details on every continuation page.
